"PNW Family Working Together"

Good Day Everyone!

I look forward to seeing you at Mid-Winter this February 17-19, 2017. A lot has happened in the past three months in making our District better. Great strides have been made by the Formula Team, I-PLAN, Key Club, CKI and Local Clubs. Hearing their reports will energize and enlighten you on why the Pacific Northwest District is one of the leading Districts in Kiwanis.

The PNW Foundation is very active in awarding scholarships for clubs wanting to improve their communities. The final numbers are not in for 2016 but in 2015 the Foundation gave out 13 scholarships!

I look forward to these meetings. Hearing how clubs have increased by 10-15 members, success of programs that are positive for our community and our organization.

Our Key Clubs have been very active; it wears you out just reading about all they do. They are very near to achieving their signature project for the Kiwanis Children's Cancer Program of \$75,000! CKI is doing well with their signature program of helping provide drinking water to impoverished countries.

We are working together as a family in making a difference not only in our communities but in the world. This accomplishment has only happened for one reason, YOU. It is through your efforts and leadership that we are achieving success in the Pacific Northwest.

A handwritten signature in black ink that reads "Ron Myers".
