

# PNW Kiwanis District Convention Special for New Kiwanians!

Please make certain that your newest club members (those who have joined since the District Convention in Portland last year) are made aware of the convention and the fact that the District is offering a discounted registration fee to first time convention attendees who have joined their very first Kiwanis club since August 14, 2016.

Kiwanians who meet this criteria are being offered a registration fee discount of \$50.00 at the time of registration (instead of the normal full price). As we must verify their eligibility for this special, they will need to call the District Office at (503) 305-7635 in order to register. This Brand New Kiwanian rate will not be available on the registration forms or in the online registration system.

Please make certain that your newest members, that is to say - the members who may be the most excited ones to be a Kiwanian right now, are aware of this special offer and encourage them to attend. I think you will find it will pay dividends in making them vital and active members of your Kiwanis Club!
